Consent to Electronic Communications. Most homeowners receive eblasts and other community notices as well as invoices for twice-yearly assessments by email. This not only saves the community money, but allows us to keep residents informed at virtually no cost. Please help us keep costs down and communications up by agreeing to receive electronic communications. Annual meeting notices and certain other official notices (e.g. collection letters) will still be sent by regular (USPS) mail.

Assessment Notices. If you agree to receive assessment notices by email, please provide one or more email addresses for these notices: _____

Other Communications. If you agree to receive other communications from TVHA by email, please list email addresses below and indicate if we may include in the resident directory.
